Editorial Review

Review

"The Layout is neat, easy to work through and is organised well." (ePhotozine.com, April 16th 2009)

From the Back Cover

Here's how to take control of all your cool camera's features

Your Digital Rebel XSi/450D delivers an exciting new way to take pictures, and this book shows you how to make every shot a winner! Even if you have no clue what aperture, white balance, or ISO mean, you'll soon be switching easily between automatic and manual modes, managing exposure, manipulating focus, and more.

- Master all the bells and whistles — find out how to make the most of every camera feature, from basic to advanced
- Move beyond automatic mode — get creative by taking manual control over aperture, shutter speed, and other camera settings
- Shoot like a pro — discover the secrets to capturing dynamic landscape photos, action shots, portraits, nighttime scenes, and close-ups
- Break through the technical jargon — get easy-to-understand explanations of resolution, pixels, file format, and other digital details
- End computer confusion — download, organize, and archive your pictures with easy-to-follow instructions

Open the book and find:

- When and how to use Live View
- Ways to work with flash and natural light
- Tips for controlling and correcting color
- How to shoot and process Raw files
- Advice on Custom Functions and other advanced features
- Details on picture-playback features
- Step-by-step instructions for using your Canon software
- How to prepare your images for printing or viewing online

About the Author

Julie Adair King has written numerous books on digital photography, including *Canon EOS Digital Rebel XT/400D For Dummies* and *Digital Photography For Dummies*. She also teaches master classes in digital photography and imaging at such locations as the Palm Beach Photographic Centre.

Users Review

From reader reviews:

Grace McClellan:

Information is provisions for anyone to get better life, information these days can get by anyone with

everywhere. The information can be a information or any news even a problem. What people must be consider whenever those information which is in the former life are hard to be find than now is taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you get the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Canon EOS Digital Rebel XSi/450D For Dummies as your daily resource information.

Paul Gay:

Spent a free time for you to be fun activity to perform! A lot of people spent their free time with their family, or all their friends. Usually they carrying out activity like watching television, gonna beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Do you want to something different to fill your free time/ holiday? Might be reading a book can be option to fill your cost-free time/ holiday.
